INSTRUCTIONS: CERTIFICATE OF INSURANCE

Last Updated: 23 Sep 2026

In order to participate in the SoCal In-Person Invitational, your school is required to submit a Certificate of Insurance. This certificate of insurance clarifies that your district or insuring agency will provide liability coverage for each school's Science Olympiad participants, including staff and volunteers. Your team may not participate without a correctly completed and received certificate. If the certificate is not received before the registration deadline, your spot may be given to another school.
